Dear Sir

I would like to obtain, if possible some #1. gold pieces of the large size, which can not be obtained at the office here. If you can favor me with some, and will state what quantity as I am a dealer, I shall send on by return a check which I believe will be, unless in error for you.

Yours Very Respfully

Dear Sir

I wish to obtain, if possible some $1 gold pieces of the large size, which can not be obtained at the office here. If you can favor me with some, don't care what quantity as I am a jeweler. I shall send on by express a gold certificate which I believe will be the easier way for you.

Yours Very Respectfully
